

## JA MANAFARU FAMILIES

Our Private Island welcomes families of all sizes. We have accommodation options available for 2 to 10 guests through our choices of villas and premium Residences. We recognise that travelling with children has special requirements and we are here to help with plenty of activities to keep the whole family entertained.

JA Manafaru is certified and audited by Worldwide Kids, the leading global childcare advisory service for luxury resorts and hotels.

### FOOD AND DRINK

We offer complimentary dining from our kids' menu for children under 2 years of age. Young ones under 11.99 years of age dine for free relevant to their parents' meal plan. We also offer a 50% discount on children's meals selected from the adult menu.

All restaurants have a kids' menu that little ones can enjoy colouring in during the meal. The selection of children's dishes presents a balance of freshly prepared healthy options as well as international favourites.

### COOLZONE KIDS CLUB

Our kids club discovery program is designed to integrate learning and play thanks to the collaboration with Worldwide Kids, the global leader in luxury hotel childcare advisory services. We take children to the Maldivian great outdoors to experience gardens, beaches and much more. Children are greeted on the island by our kids club team with a welcome pack that includes programs for ages 3 to 7 years plus 8 years and up. Coolzone is open daily from 10am until 6pm, and a disco night for young ones is arranged twice a week for children from 3 years to 12 years of age.
