

**MANAFARU**  
MALDIVES

FACTSHEET

An aerial photograph of a tropical island in the Maldives. The island features a long pier extending into the turquoise water, lined with numerous overwater bungalows. A small white seaplane with red accents is flying low over the water in the bottom left corner, leaving a white wake. The water transitions from a deep blue to a lighter turquoise near the shore, where a white sandy beach and lush green vegetation are visible. Several other bungalows are situated on the land near the beach.

Upon this grand vault's doors opening, descend the wooden steps into the atmospheric chambers lined with Indonesian volcanic rock, and into a world of fine wines and culinary wonders.
