30<sup>TH</sup> MARCH TO 12<sup>TH</sup> APRIL 2024

MANAFARU  
MALDIVES

# WELCOME TO NEVERLAND!

Once upon a time there was an island like no other; an island of dreams where the clear seas and open skies were an invitation to adventure... Where all it took was a happy thought and a sprinkling of fairy magic for your soul to take flight...

We are the few. Here are the tribe who live to play; whose days unfold in freedom and fun, flying over turquoise seas and battling the piratical forces that threaten to stop us! In the tribe we are all young at heart and together we are the spirit of Neverland.

Peter and Wendy have been away for a long time...they almost forgot. But Neverland never forgets, and it has called them home, rekindled their inner children and they are ready to play more than ever! The Wendy house is rebuilt, the lost boys and girls are gathering, and the tribe is growing!

Every morning wrapped in story, every day adrift on song. Friendships are forged and pacts sealed, dens built, and trails laid to connect us all to our sense of play and to the beautiful island which calls to us: our island home. We will pledge to take care of her and in return she will fill us with wonder at her riches. Listen. Can you hear?

Come! Beat your drum to the echo of her heartbeat...
