

JA MANAFARU'S JOURNEY TO *NEVERLAND!*

30TH MARCH TO 11TH APRIL 2024

MANAFARU
MALDIVES

WELCOME TO NEVERLAND!

Once upon a time, there was an island like no other; an island of dreams where the clear seas and open skies were an invitation to adventure. All it takes is a happy thought and a sprinkling of fairy magic for your soul to take flight...

We are the few. We are the tribe who live to play. Our days unfold in freedom and fun. We fly over turquoise water and battle the pirates who threaten to stop us! We are all young at heart. Together we are the spirit of Neverland.

Peter and Wendy have been away for a long time...they almost forgot. But Neverland never forgets, and it has called them home. The Wendy House has been rebuilt. The children are gathering. The tribe is ready to play!

Every morning wrapped in a story, every day adrift on song. Friendships are forged and pacts are sealed. Dens are built, and trails are laid. Reconnect to your sense of play in your beautiful island home. We will pledge to take care of her and in return, she will fill us with wonder at her riches. Listen. Can you hear?

Come! Beat your drum to the echo of her heartbeat...
