FREQUENTLY ASKED QUESTIONS

When do I notify the resort of my flight booking?

We request you do this at the time of booking. This allows the team to organise flights in advance to make for an improved arrival and departure experience.

What is the difference between a scheduled transfer and a private transfer?

Scheduled transfers are as per the airline's prepared flight schedule and you will travel with other passengers. Private transfers are pre-arranged at the time window closest to your International flight and since they're only for your party there is a limited waiting period.

Do I have to book my own domestic transfers?

JA Manafaru will take care of all your bookings as there is no way to book these flights yourself.

Is there a public transport option?

No. There are no public transportation options between JA Manafaru and other destinations due to the vast distances between islands and atolls in the archipelago.

Can I make my own transfer arrangements?

Yes, you can make your own transfer arrangements with a third-party vendor. However, we strongly advise against this as we cannot guarantee the reliability of such services. These third-party arrangements will not include additional vehicle or boat transfers or lounge access.

How will the airport team find me?

Our airport representative will be waiting for you in the Arrival Hall, bearing a sign saying 'JA Manafaru'. Your name will not be on the board, but our team will have your name on a discreet guestlist.

What happens if I can't see your airport representative?

In the event of you not being able to locate our airport representative, please contact our team on +960 766 0195 or +960 766 0204

Is travel insurance mandatory for the Maldives?

No. However, international travel can be unpredictable, so travel insurance is highly recommended.

What happens if there's a delay to the seaplane/domestic flight schedule?

In rare instances, due to circumstances beyond the control of the operator and/or JA Manafaru (such as unfavourable weather conditions), the flight may depart later than scheduled, resulting in missed international flights. Neither the operator nor JA Manafaru will assume liability for any resulting expenses. We recommend guests reclaim any expenses through their travel insurance.

What happens if my International flight is delayed?

Our team will follow your flight arrival and departure time and we will endeavour to find the next available domestic flight time for you with the airline.

What should I do if my international flight lands after the last domestic flight is scheduled?

Our reservations team can advise you of suitable accommodation options nearby to Velana International Airport. You would be booked on the first available flight the following day.

JA Manafaru reserves the right to enter into new agreements with other airline partners, therefore current agreements with partners mentioned on this factsheet may be changed or terminated without prior notice.
