Getaways for the real you

DUBAI | SEYCHELLES | MALDIVES

GETTING TO KNOW US

Our journey started back in 1981 with the formation of Dutco Hotels part of the Dutco group who already had a rich heritage in the Middle East, we owned and operated the first two resort properties in Dubai: Jebel Ali Hotel and Hatta Fort Hotel.

We built on the success of our first properties with the additional of Palm Tree Court and Oasis Beach Tower hotels but we became much more than a hotel chain we became a destination within a destination in Dubai with the addition of Bateaux Dubai, the Al Sahara Desert Resort, the Centre of Excellence and the Beach Club joining the family.

With this diverse portfolio of hotels and venues across Dubai the Dutco Brand became known as JA Resorts & Hotels, still holding true to the same family values that had made us so successful, through our personalised service of heartfelt hospitality and casual luxury.

New international destinations soon found their place in our portfolio with the Enchanted Island Resort in the Seychelles and JA Manafaru in the Maldives. quickly followed by JA Ocean View Hotel in our home city: Dubai.

Our aspirations are to continue to build on the success of JA Resorts & Hotels brand with new opening in other parts of the World as well as in our home city of Dubai, wherever we are in the World we will stay true to our heritage and our heartfelt promise to create a memorable personalised experience to all our guests.

HEARTFELT EVENTS

AS REMOTE AS WORKING REMOTELY CAN GET

Nothing inspires a destination event like an island in the middle of the Indian Ocean, where two of our most exclusive and luxurious resorts can be found.

JA Manafaru in the Maldives and JA Enchanted Island Resort in the Seychelles have played host to VIPs on exclusive management retreats, incentive trips as well as serving as a destination for dream weddings.

INDIAN OCEAN MALDIVES

The Maldives is an unforgettable choice for for incentive trips and management retreats. Island life is a lure that few can resist and you'll find new ideas, fresh approaches and clarity of thought infusing your event. More than a thousand coral islands – like strings of precious stone necklaces – sprawl over the atolls to form the smallest country in Asia.

All these individual islands mean access to privacy, exclusivity and a jaw-dropping backdrop that will inspire meeting delegates and incentive participants alike. Good connections to Malé International Airport (MLE), as well as speedboat or seaplane island transfers, make the arrival experience a first focal point of any event.

MANAFARU MALDIVES

JA Manafaru combines an idyllic location, plenty of luxury accommodation options, stunning venues and unforgettable excursions on a sizeable island that is quintessentially Maldivian. With an underground lava stone cellar, palm-lined beachfront venues and ocean-edge lounge decks, this impressive island resort is not short on atmospheric settings for meetings, brainstorm sessions and teambuilding.

It also has its own marine research centre and resident marine biologist, with the option to learn of, or take part in conservation activities. Two onsite photography studios mean there is a brilliant option to have your event chronicled in well-deserved fashion. A 10-room spa, yoga pavilion and castaway adventures on an uninhabited island add to the variety for incentive trips.

Stunning Seychelles is visually arresting on many different levels. Apart from its natural beauty, interesting colonial history and cultural legacy, it also offers great ICT developments and good connections to many parts of the world via Seychelles International Airport (SEZ). The World Bank rates the Seychelles as one of Africa's top 10 countries for 'Ease of Doing Business'.

Though it's Africa's smallest country, it features an impressive 115 islands, resulting in fantastic opportunities for exclusivity, unusual meeting settings, impressive product launch backdrops and memorable experiences. Mahé, the main island, is home to beautiful botanical gardens, colonial houses and galleries, which are amazing venues for special events.
