Set on the bustling 1.7-kilometre strip of JBR The Walk, JA Resorts & Hotels' five-star JA Ocean View Hotel is a distinctly cosmopolitan beach-facing property – boasting an impressive selection of food and beverage outlets to match its urban setting. Its prestigious location on the doorstep of one of Dubai's most popular beach communities creates a unique opportunity to stand out among the surrounding lifestyle and entertainment destinations.

The cityscape hotel holds itself to high culinary standards and has continued to develop and enhance its dining options in recent years, bringing together the best of casual mingling and signature dining for a unique and customisable experience. With the introduction of new gastronomic concepts, JA Ocean View Hotel has elevated the selection, execution, and quality of its food and beverage options, firmly establishing the property as a key attraction on JBR's The Walk that caters to both residents and international guests.

Motorino Pizzeria, the hotel's award-winning feature Italian restaurant, has gained popularity for its world-famous Brooklyn-style pizza – now dubbed the best pizza in Dubai – traditionally baked in a stone oven for that authentic Neapolitan taste. With fresh ingredients and a carefully prepared dough, the eatery promises artisanal pizza perfection. The iconic, Brooklyn-inspired venue combines indoor and outdoor seating with greenery, a cosy atmosphere, and an open kitchen – bringing all the culinary action to the forefront of the dining experience.

JA Ocean View Hotel's trademark sports bar, Offside, aims to offer the best live sports to global fans. A fresh and buzzing destination serving classic bar bites, Offside boasts over 25 top-grade, high-definition indoor TV screens, an alfresco bar and pergola with an additional six HD TVs, an upgraded high-tech audio system, and six semi-private booths, cleverly positioned to accommodate up to 10 guests while maintaining the vibrant atmosphere of the main bar. With a capacity of 275, Offside is also home to the biggest indoor screen in JBR and Dubai Marina, making it an ideal location for an immersive viewing experience.

An alfresco poolside lounge with unparalleled views, regular live entertainment, and a tangible atmosphere of exclusivity, LVL BLU is a hidden gem set against the dramatic backdrop of Ain Dubai. Signature menu items include the eatery's sushi selection – offering Avo-Mango Rolls, Spicy Tuna, and Lobster Tempura – as well as the Asian fusion-inspired Chef Poke Bowl and Yuzu Crème Brulee.

Il Motto is a classic delicatessen located in the hotel lobby, selling fresh pastries and coffee, large Florentine sandwiches, artisanal cheese and meat boards, and over 40 different kinds of specialty Italian wine – including affordable wine on draft – all set to an ambient soundtrack. The small eatery also offers ‘Il Motto Anywhere’, a dining concept that takes the food on the road. By pre-ordering a custom picnic basket filled with homemade sandwiches, fresh drinks, and cookies baked on-site, guests can enjoy Il Motto on the beach, at a friend’s house, or anywhere in between.

One of the exciting additions to look forward to is the upgrade and refurbishment of the all-day dining outlet Le Rivage to *Aqua*, a vibrant and eclectic venue with an ambiance that compliments its sea-facing location. Featuring interiors that seamlessly transition from day to night and vice versa, this restaurant and bar offers exceptional service that caters to all gastronomic preferences. Boasting a cosy indoor setting and a breezy courtyard, it is sure to become a popular spot for dinner on weeknights or family brunch on weekends.
