GETTING TO KNOW US

Our journey started back in 1981 with the formation of Dutco Hotels, part of the Dutco group, who already had a rich heritage in the Middle East. We owned and operated the first two resort properties in Dubai: Jebel Ali Hotel and Hatta Fort Hotel.

We built on the success of our first properties with the addition of Palm Tree Court and Oasis Beach Tower hotels, but we became much more than a hotel chain. We became a destination within a destination in Dubai with the addition of Bateaux Dubai, the Al Sahara Desert Resort, the Centre of Excellence and the Beach Club joining the family.

With this diverse portfolio of hotels and venues across Dubai the Dutco Brand became known as JA Resorts & Hotels, still holding true to the same family values that had made us so successful, through our personalised service and casual luxury.

New international destinations soon found their place in our portfolio with JA Enchanted Island Resort in the Seychelles and JA Manafaru in the Maldives, quickly followed by JA Ocean View Hotel in our home city, Dubai.

Our aspirations are to continue to build on the success of JA Resorts & Hotels brand with new openings in other parts of the world as well as in our home city of Dubai. Wherever we are in the world, we will stay true to our heritage and our unique promise to create a memorable personalised experience for all our guests.

HEART, BODY AND SOUL

Adventure

Hatta is a platform for adventure-themed teambuilding activities. Groups can kayak around the Hatta Dam, hike the majestic Hajar Mountains, bike across the wadis, attempt archery and even test their skills escaping from a giant human maze.

Mindfulness

A healthy workplace culture is shown to be one that deeply connects team members to the purpose of their work. It fosters a strong, internal motivation that energises work to be more effective, authentic and fulfilling. Workplace mindfulness leads to 80% better decisions and 30% increase in overall happiness and wellbeing.

JA Hatta Fort Hotel is the ideal location to host mindfulness workshops offering an exclusive and serene environment amongst its natural setting.

AS REMOTE AS WORKING REMOTELY CAN GET

Nothing inspires a destination event like an island in the middle of the Indian Ocean, where two of our most exclusive and luxurious resorts can be found.

JA Manafaru in the Maldives and JA Enchanted Island Resort in the Seychelles have played host to VIPs on exclusive management retreats, incentive trips as well as serving as a destination for dream weddings, blessing ceremonies and vow renewals.

MALDIVES

The Maldives is an unforgettable choice for incentive trips and management retreats. Island life is a lure that few can resist, and you'll find new ideas, fresh approaches and clarity of thought infusing your event. More than a thousand coral islands – like strings of precious stone necklaces – sprawl over the atolls to form the smallest country in Asia.

All these individual islands mean access to privacy, exclusivity and a jaw-dropping backdrop that will inspire meeting delegates and incentive participants alike. Good connections to Malé International Airport (MLE), as well as speedboat from domestic airports or seaplane island transfers, make the arrival experience a first focal point of any event.

MANAFARU
MALDIVES

JA Manafaru combines an idyllic location, plenty of accommodation options, stunning venues and unforgettable excursions on a sizeable island that is quintessentially Maldivian. With an underground lava stone wine cellar, palm-lined beachfront venues and ocean-edge lounge decks, this impressive island resort is not short of atmospheric settings for meetings, brainstorm sessions and teambuilding.

It also has its two onsite photography studios, hence a brilliant option to have your event chronicled in a well-deserved fashion. A 10-room spa, a Mind and Body movement pavilion and castaway adventures on an uninhabited island add to the variety for incentive trips.

The World Bank rates the Seychelles as one of Africa's top 10 countries for 'Ease of Doing Business.'

Though it's Africa's smallest country, it features an impressive 115 islands, resulting in fantastic opportunities for exclusivity, unusual meeting settings, impressive product launch backdrops and memorable experiences. Mahé, the main island, is home to beautiful botanical gardens, colonial houses and galleries, which are amazing venues for special events. Victoria is a tiny and quaint capital city which exudes Creole charm and manageability.
