A close-up photograph of a white peacock standing in a grassy field. The peacock's head is turned to the left, showing its orange beak and eye. Its long, white tail feathers are fanned out, creating a large, textured backdrop. The background is slightly blurred, showing green grass and some distant trees.

Nature & wildlife *encounters*

Explore a resort where natural beauty and animal life are part of the experience. From roaming peacocks to interactive animal zones, the resort invites families to connect with nature in memorable, meaningful ways.

Animal Discovery Zone *and Bird Aviaries*

Visit our Animal Discovery Zone, home to goats, rabbits, and tortoises—a delightful stop for little explorers and curious minds. Wander through our aviaries, where various birds are being cared for and rehabilitated.

Marvel at the sight of peacocks freely roaming our gardens—an iconic symbol of JA’s warmth and charm.

Don’t miss our daily falcon shows and early morning hawk walks, offering an inspiring and up-close look at these majestic birds in flight.
