

MANAFARU  
MALDIVES

BLESSINGS &  
COMMITMENT  
CEREMONIES

A million miles from the nine to five, nestled in the azure horizon of the Indian Ocean, lies Nature's best kept secret... JA Manafaru.

As one of the most idyllic settings in the Maldives to reaffirm your love for each other, JA Manafaru is intimate enough to make your celebration truly unique.

This is the chance for your partner and yourself to renew vows and love for each other, be it a honeymoon, anniversary, partnership celebration or commitment to each other.

The ceremony itself will be simple and in keeping with the Maldivian island setting; taking place before the setting of the sun with every detail attended to by dedicated professionals.

Each ceremony can also be tailor made to your personal preference and is a symbolic blessing of commitment to each other rather than a religious ceremony.

reaffirm your love*

# STARFISH

USD 3,100 nett

JA Manafaru has the privilege of having not only one, but two castaway islands near the resort. By arrangement with the local community, we are able to host blessing and commitment ceremonies on these beautiful private escapes. An experience for the true adventurers and due to the location, getting sea soaked by jumping out of a boat is part of the memory. As this experience does not take place on the resort island, kindly be informed that alcohol cannot be served.

Let us set up a simple tropical themed experience for you on your very own Castaway island. As the sun begins to set, we will whisk you by boat over to your Robinson Crusoe island and your island elder will perform the blessing ceremony to the beat of the Maldivian drums.

Your island hosts will leave you with your island treats to watch the sunset, before lighting a trail to take you to your dinner venue where your private waiter and chef will be waiting to look after you with only the stars for company.

A trail will be set to light your path back to the waiting boat and onward to your island home.

Captain and crew to transfer you to your Castaway Island and return you to your residential island home after dinner.
